

**EMBRACE**  
the Middle East

# Children's activity sheet

Happy Christmas from everyone at Embrace! We hope you'll enjoy these activities to help you learn about Jesus, the Prince of Peace, and how we can help children like Nazir in the Middle East fill in the missing pieces of their life.

1. Follow the string to connect each missing object to its home:

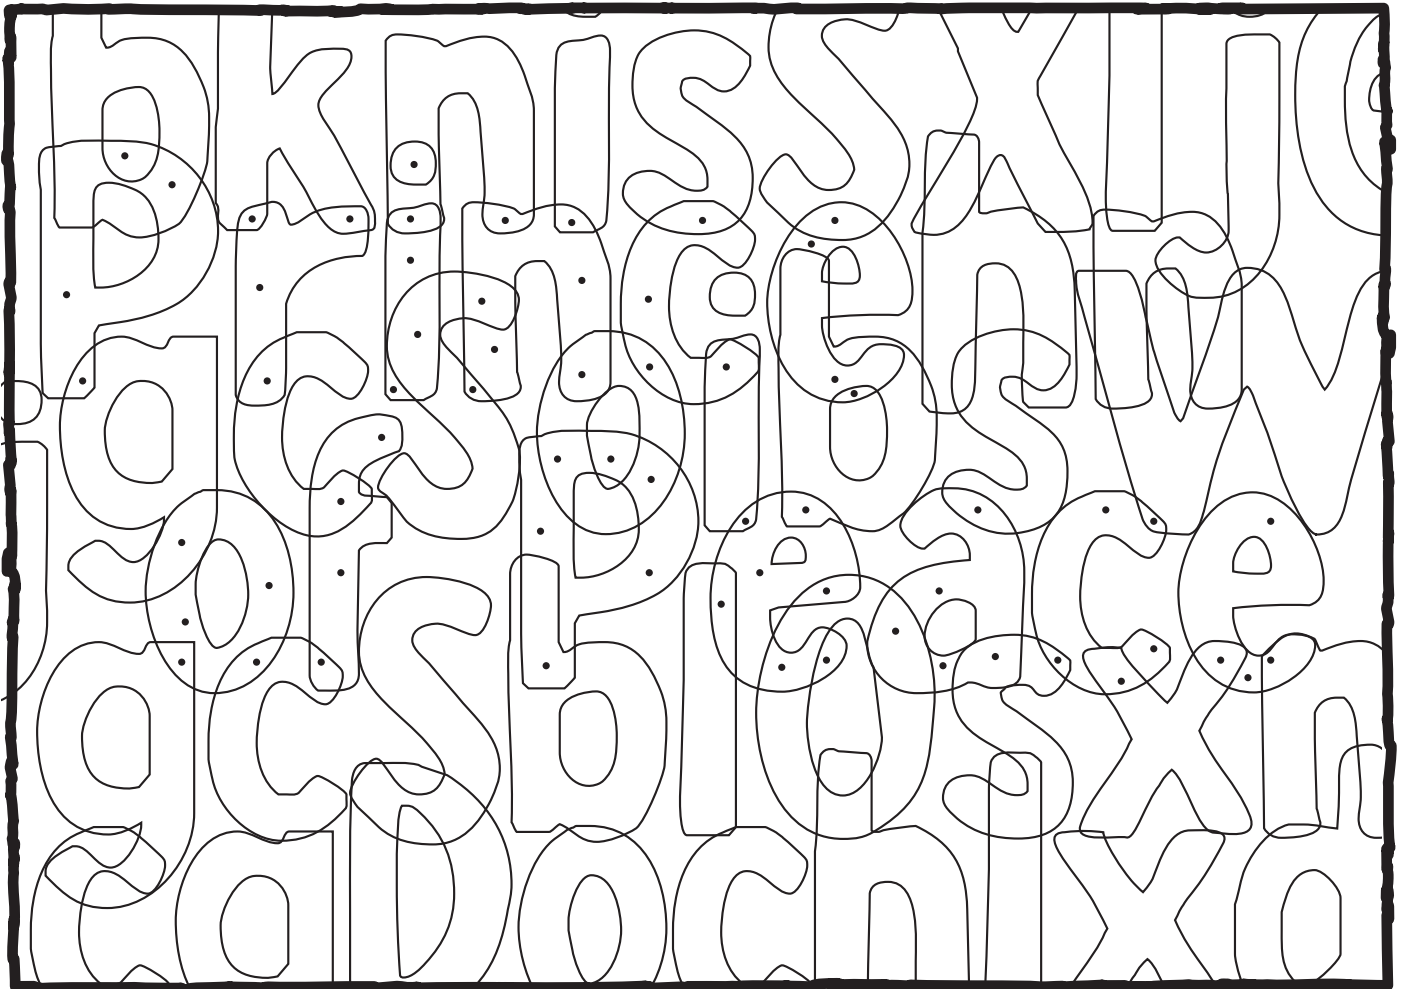

Like knives and forks there are things that we are connected to that are really important – things like our family, our friends, our school or our pets.

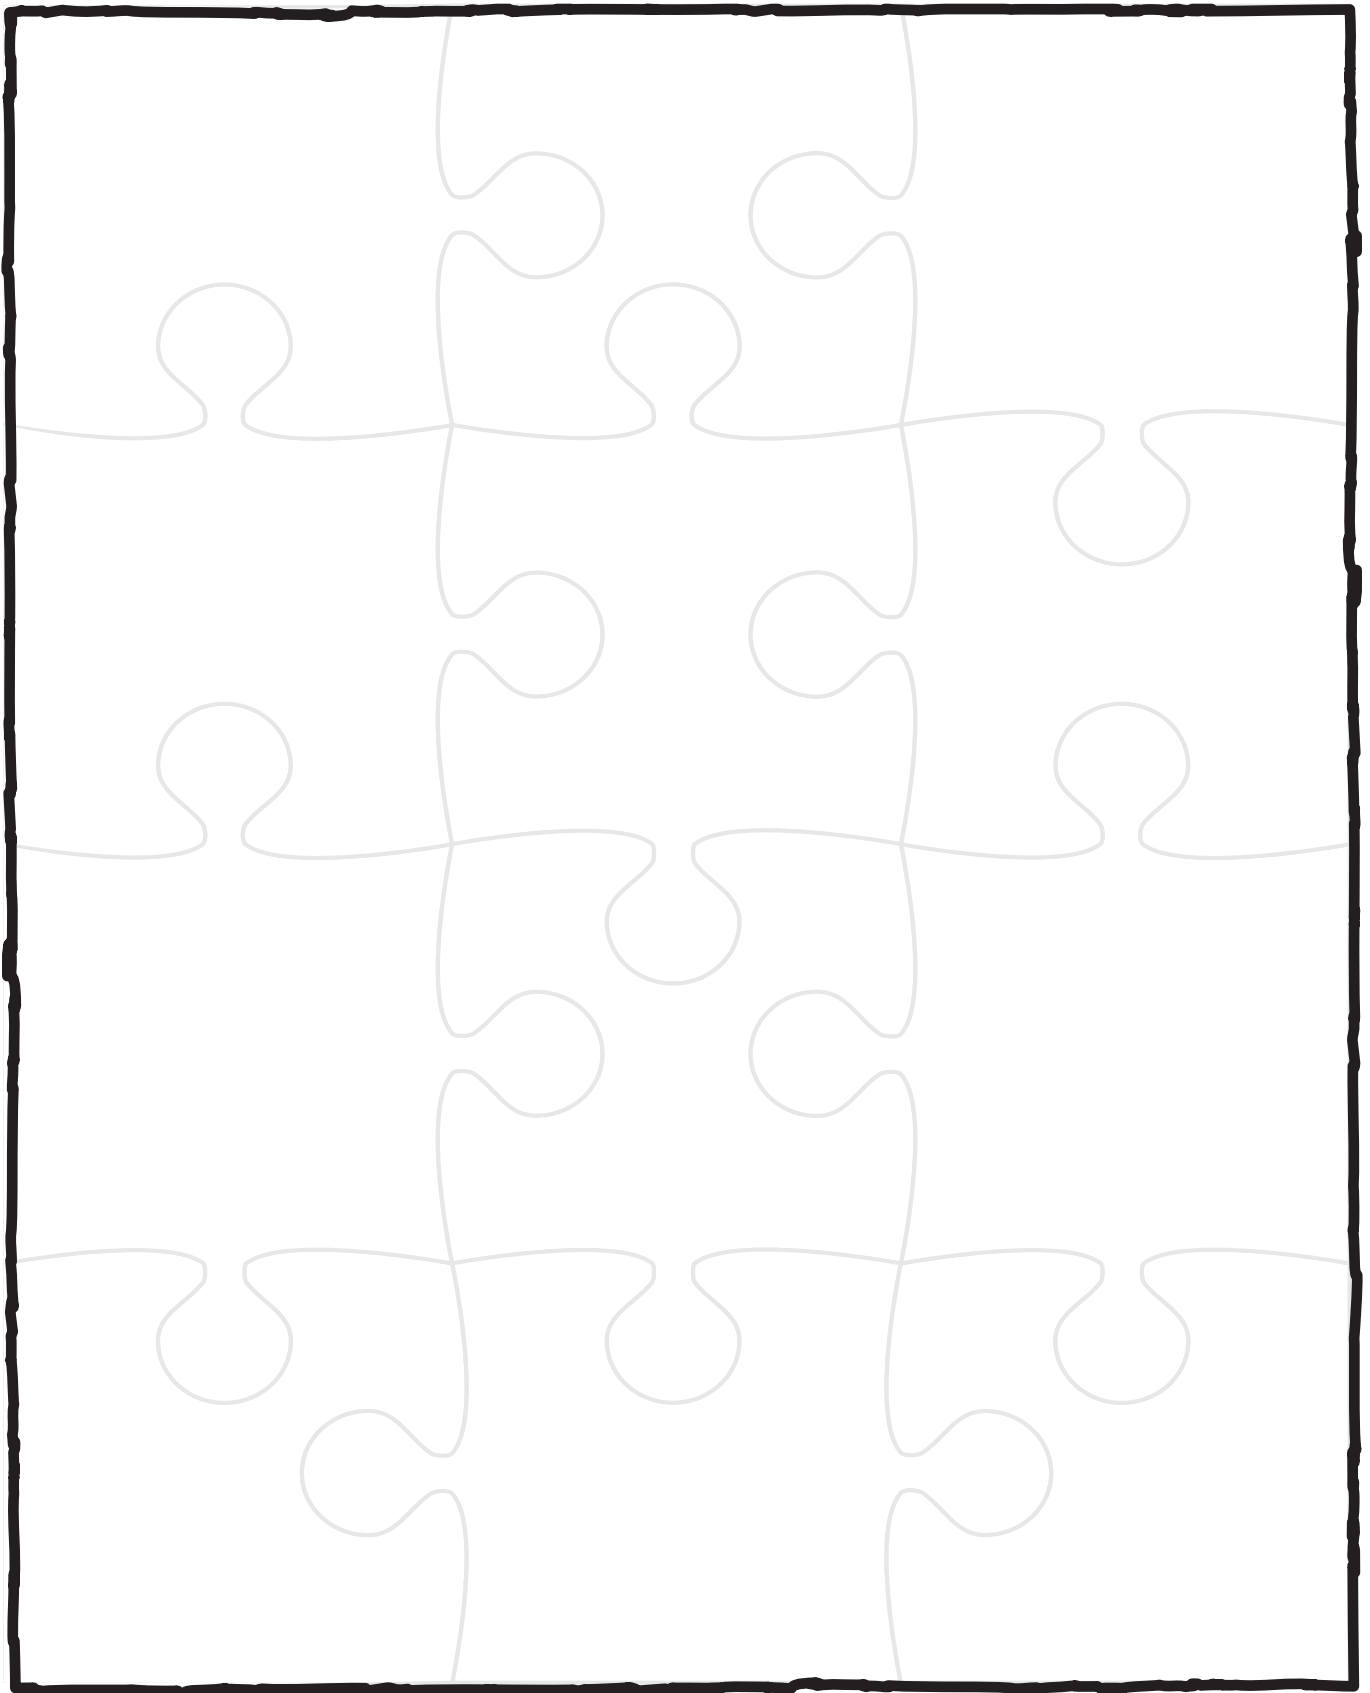

Draw or write the name of a person or thing that you're really grateful for in this box.  
And thank God for that person pet or thing.

**2. Colour in the pieces marked with a dot in this pattern to reveal a name used for Jesus in the Bible.**

The name is in Isaiah 9:6 with lots of other names that are also used for Jesus. Find Isaiah 9:6 and see what other names there are.

3. The pieces of this jigsaw have been put together, but it has no picture!  
Can you draw a picture of when you have felt peaceful?

**4. Read the story below to find out about Nazir, and unscramble the bold words as you go to make sure you get all the facts!**

Nazir is 9. He, his mum and his brother and sisters live in a country called **ebLnona** \_ \_ \_ \_ \_ . But this is not his real home. His family come from **yrSia** \_ \_ \_ \_ \_ ... almost 500 kilometres away from where they are now!

There has been a war in Syria since 2011. So lots of families like Nazir's have had to **eavel** \_ \_ \_ \_ \_ . They are living in Lebanon as **fugerees** \_ \_ \_ \_ \_ – people who have had to leave their home to look for help and shelter somewhere else.

Nazir's dad couldn't come to Lebanon with them, and now he is **pparted** \_ \_ \_ \_ \_ in Syria. It is hard for Nazir's mum to earn enough **nomey** \_ \_ \_ \_ \_ to look after the family, so Nazir has to go out to **kwor** \_ \_ \_ \_ \_ in a shop one day each week.

Life is hard for Nazir and his family, but they are getting help from a **chcruh** \_ \_ \_ \_ \_ that is supported by Embrace. The church has provided a stove, some **beklants** \_ \_ \_ \_ \_ and some mattresses to Nazir's family, as well as giving them some **doof** \_ \_ \_ \_ \_ each month.

Through providing some of the missing pieces, the church is helping to bring **eapec** \_ \_ \_ \_ \_ to Nazir and his family.

Jesus wants us all to help bring his peace to people's lives by **pelhing** \_ \_ \_ \_ \_ them when we can. We can do this through raising money, through praying and through our **stionca** \_ \_ \_ \_ \_ .

**5. Let's Pray!**

Lebanon is a country where more than one million refugees, like Nazir, are living away from their own homes, schools, friends and even families.

**Inside this outline of Lebanon, write a prayer for either:**

- refugees living in Lebanon
- people in Lebanon who are helping refugees
- families, like Nazir's, who are separated from each other.
